Notes:

^(a) Modules of the Bachelor's or Master's program „Cognitive Science“ according to the examination regulations §4 (1).

If the application for approval is for one of the compulsory or optional compulsory modules of the Bachelor's or the optional compulsory modules of the Master's program, please contact the lecturer responsible for the module listed on the web site of the Institute for Cognitive Science:

https://www.ikw.uni-osnabrueck.de/en/students/bachelor_cognitive_science/examination_matters.html
https://www.ikw.uni-osnabrueck.de/en/students/master_cognitive_science/examination_matters.html

After approval by the lecturer responsible for the module, please hand in the form at the examination office for further processing.

^(b) Grading scale for courses with a number grade at Osnabrück university according to §8 (1) of the examination regulations for the Bachelor's or Master's program "Cognitive Science":
1 (excellent), 2 (good), 3 (satisfactory), 4 (sufficient), 5 (fail). Individual grades can be increased or decreased by 0.3 for differentiation; grades 0.7 and 4.3 are excluded.
According to §16 (8) PO for the Bachelor's and Master's degree program "Cognitive Science", non-comparable grading systems are usually converted according to the modified Bavarian formula. If the conversion is not possible, the course is approved with "passed".

^(c) If the request of approval is rejected, according to the examination regulations §16 (4), an explanation must be provided.
